Notes to the Daily Class Schedule

All links were last accessed May 20, 2026.

1. [NYSED Field Advisory June 2016 — Career Development Occupational Studies \(CDOS\) Graduation Pathway Option](#).
2. [Career Development Occupational Studies \(CDOS\) Commencement Core Curriculum](#) — Standard 1 — Career Development.
3. Career Development Occupational Studies (CDOS) Commencement Core Curriculum — Standard 3a — Universal Foundation Skills.
4. Career Development Occupational Studies (CDOS) Commencement — Standard 2 — Integrated Learning.
5. Career Development Occupational Studies (CDOS) Core Curriculum — Standard 3b Part 1 — Business / Information Systems.
6. [New York State Education Department-Approved Pathway Assessments in Career Development and Occupational Studies](#).
7. [Career and Technical Education \(CTE\) Critical Career Skills \(CCS\)](#) program builds on the previous Communication Skills for Business (CSB) offering. It expands our core communication training while boosting overall career readiness and employability, also introduced a Generative AI Foundations exam to reflect emerging workplace technologies.
8. Career and Technical Education (CTE) The [Entrepreneurship and Small Business Certification \(ESB\)](#) program covers the essential concepts and principles associated with launching and maintaining a successful business.
9. Career and Technical Education (CTE) — [IC3 \(Internet Core Competency Certification\) Digital Literacy Certification](#) program is the launch pad for all Certiport certifications. It covers the foundational concepts and knowledge derived from multiple, international digital literacy standards and frameworks. It validates a learner's competencies across beginner, intermediate and advanced levels within Digital Literacy and is the foundational skillset required by nearly every single employer in the workplace.
10. Career and Technical (CTE) — [Information Technology Specialist \(ITS\)](#). The IT Technical Support Specialist credential can give you the foundation that support team managers are looking for as they consider your candidacy.
11. Career and Technical (CTE) — [Cisco Certified Support Technician \(CCST\)](#) certifications are work-ready certifications that can combine with additional credentials to help set you apart for high-demand, specialized roles within IT. As the demand for networking and cybersecurity professionals continues to increase, so does the demand for specialized skills within those fields.
12. [NYSED Individual Arts Assessment Pathway](#) — The Arts (dance, music, theater, visual and media arts).
13. [NYSED Adapted Physical Education Standards and Instruction](#) — Introduction to HS Level I and HS Level II Physical Education Standards.
